ACTIVITIES ORGANIZED
BY DEPARTMENT

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

To emerge as a globally recognized program for holistic technical education in the field of Electronic and Telecommunication Engineering.

M1: To produce technically competent, employable and socially responsible graduates with professional ethics.

M2: To facilitate creativity, research, innovation, teamwork and entrepreneur skills to meet academic, industrial and societal needs.

PROGRAMME EDUCATIONAL OBJECTIVES

- PE01:** To analyze, design and develop systems for applications in Electronics and Telecommunication and allied Engineering fields with professional ethics.
- PE02:** To pursue higher education in recognized national and/or international universities and carry out research and development work in the field of Electronics and Telecommunication Engineering.
- PE03:** To get gainfully employed and/or become entrepreneurs in the field of Electronics and Telecommunication Engineering.

FROM THE HOD'S DESK

Greetings of the day!

As the Head of Department (EXTC) , I take the privilege of launching this edition of DBIT - EXTC – Spectrum. The purpose is to give you a kaleidoscopic view of events and activities organized in the department along with achievements and accomplishments of the faculty and students.

Over the years, EXTC department has been in the forefront of skill enhancement for students. Based on AICTE and guidelines from University of Mumbai the department has introduced an Honours course on "Internet of Things" which stands to be the next revolution in computing.

As we say variety is the spice of life, the department has always succeeded in bringing this variety to nurture the holistic development; be it through classroom discussions, counselling sessions, in-house training programmes, workshops, intra and intercollegiate fests and competitions, research and presentations, peer learning all these in turn provide a favourable environment for the well-being of our students.

On behalf of the department I would like to thank all the alumnus for their continued support. They have not only helped in conduction of expert lectures and workshops but also provided financial support to our students. I would also like to acknowledge all the people from the Industry who have collaborated with us and helped us in providing the students with better industrial exposure.

I would like to thank all the faculty members for their dedication and commitment towards the growth of the department and the commendable energy and enthusiasm of the students without whom this newsletter would not have been possible. Last but not the least I would like to congratulate Mrs. Pratibha Dumane, Editor for compiling this newsletter to provide a panorama of all that has happened in the department during this AY- 2022-23.

- Mrs. Namita Agarwal

FROM THE EDITOR'S DESK

I am happy to present to you once again the 13th edition of our department newsletter, DBIT - EXTC - Spectrum.

As dedicated educators, we strive to synergistically align our efforts with the Vision and Mission of Don Bosco Institute of Technology.

Within the pages of this newsletter, you will witness the contagious enthusiasm and dedication of our teachers and students. The laughter and smiles resonate through the achievements and triumphs showcased herein - a result of the unwavering teamwork and commitment of all. All contributions – big and small – are the driving force behind our collective achievements.

This edition is the result of months of painstaking effort, dedicated to compiling a realistic mosaic of activities, showcasing the creative talent of our students and teachers and sharing the collective success with our esteemed readers. This newsletter also serves as a platform to acknowledge and honour the endeavours of all involved.

Special thanks to Mr. Immanuel Machado for his invaluable assistance in bringing this edition of the newsletter to fruition.

We cherish the spectrum of precious moments that defined yet another splendid year.

Enjoy Reading!

- Ms. Pratibha Dumane

ACADEMIC ADVISORY COMMITTEE (AAC) MEETING

The AAC meeting was organised on 27 August 2022. Several points were discussed including the Minor / Honours course being offered to the students, the various activities and events planned for the benefit of the students, challenges faced, etc.

The AAC meeting served as a platform for constructive dialogue and collaboration among stakeholders, enabling the department to benefit from diverse perspectives and expertise.

The meeting reinforced the department's commitment to academic excellence, innovation, and continuous improvement, ensuring that the academic programs remain responsive to the changing needs of students and society. The valuable insights and recommendations from the council members will contribute to the ongoing efforts to provide a high-quality educational experience and foster a culture of excellence.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING ACADEMIC ADVISORY COMMITTEE MEET 2022

PARENTS - TEACHERS MEETING

The Parents-Teachers meeting was conducted on 17 September 2022 and 25 February 2023 with an aim to foster effective communication and collaboration as parents are an integral part of the process of teaching and learning. The purpose of the meeting was to discuss the students' academic progress, and address any issues or queries of the parents.

The teacher's shared the progress reports of the students, highlighting the progress & strengths and areas for improvement. The Head of Department, Ms. Namita Agarwal stressed the importance of holistic development and discussed the co-curricular activities available in the department and the institute. The parents were briefed about the various clubs, events and opportunities for students to enhance their skills beyond the classroom.

MoU with TATA Memorial Hospital

Dr. Satishkumar Chavan played a pivotal role in facilitating an MoU between DBIT and Tata Memorial Hospital for collaborative research in medical health care. This collaboration will foster joint research initiatives and development projects.

ALUMNI MEET

The alumni are one of the important stakeholders of any educational organisation and it is a very nostalgic feeling for the alumni to return to their alma mater.

An alumni meet was organised on 7 January 2023 wherein many alumni from 2012 batch onwards attended the meet. The event coordinated by Ms. Madhavi Pednekar with whole hearted support from all the department faculty consisted of ice-breaking sessions, games, and inputs from the alumni towards enhancing the teaching-learning process, placements, research and projects.

FACULTY RECOGNITION

- Dr. Sudhakar Mande was invited as reviewer for K. Shankar Meritorious Awards 2022 at Somaiya University, Mumbai.
- Dr. Sudhakar Mande is the University Representative in the Board of Studies of Electronics & Telecommunications Engg., D.J. Sanghvi College of Engineering, Mumbai.
- Dr. Satishkumar Chavan was Session Expert in the 5th IEEE-International Conference on "Advances in Science and Technology held at K. J. Somaiya Institute of Engineering and Information Technology, Mumbai on 02-03 December 2022.

- Dr. Satishkumar Chavan was Session Chair in the 4th International Conference on Advanced Technologies for Social Application Techno-Societal 2022, organised by Shri Vithal Education & Research Institute (SVERI), Pandharpur, Maharashtra, India on 09-10 December 2022.
- Dr. Ashwini Kotrashetti was appointed as the first Dean of Student Progress in DBIT in September 2022.
- Dr. Ashwini Kotrashetti was an expert panellist for interviews

conducted for the post of Junior & Senior Research Scientist at Society for Applied Microwave Electronics Engineering and Research (SAMEER), Mumbai.

- Dr. Ashwini Kotrashetti has been included in the list of reviewers of IEEE Transactions on Microwave Theory and Techniques in July 2022.

- Dr. Sudhakar Mande was invited as reviewer for 2023 IEEE Region 10 Symposium (TENSYMP) at UNSW, Canberra, Australia.
- Dr. Sudhakar Mande was invited as a reviewer for the 5th Biennial International Conference on Nascent Technologies in Engineering organised on 20-21 January 2023 by Fr. C. Rodrigues Institute of Technology, Vashi, Navi Mumbai, India.
- Dr. Ashwini Kotrashetti was invited as a reviewer for the 2023 IEEE International Symposium on Antennas and Propagation (ISAP 2023) to be held from 30 October 2023 to 02 November 2023 at Kuala Lumpur, Malaysia.
- Ms. Pratibha Dumane was invited as a Judge for the Elocution Competition and Poetry Recitation Competition organised in the institute as part of the "Azadi ka Amrit Mahotsav" on 11 August 2022.
- Ms. Pratibha Dumane was invited as a reviewer for the following conferences:
 - 2023 Second International Conference on Smart Technologies and Systems for Next Generation Computing (ICSTSN 2023) organised by IFET College of Engineering on 22-23 April 2023, Villupuram, Tamil Nadu, India.
 - IEEE International Conference on Computing, Communication, and Intelligent Systems on 04-05 November 2022 Sharda University, Greater Noida, India.
 - The second IEEE-International Conference on Computational Intelligence and Sustainable Engineering (CISES-2023) organised by GL Bajaj Institute of Technology and Management, Greater Noida, Delhi-NCR, India, 28-30 April 2023.
 - 5th Biennial International Conference on Nascent Technologies in Engineering organised on 20-21 January 2023 by Fr. C. Rodrigues Institute of Technology, Vashi, Navi Mumbai, India.

FACULTY ENGAGEMENTS WITH THE UNIVERSITY OF MUMBAI

- Dr. Sudhakar Mande conducted an Orientation Programme hosted by DBIT for the course ECC7011 "Efficient Architectures for DSP Algorithms" in online mode on 14 July 2022.
- Ms. Pratibha Dumane attended the University of Mumbai approved Faculty Orientation Programme for the course ECCDLO7012 "Deep Learning" of revised syllabus of B.E. Sem VII Rev-2019 'C' Scheme on 15 July 2022 organised by Dept. of Electronics & Telecommunication Engineering, Thadomal Shahani Engineering College, Mumbai on behalf of the University of Mumbai.
- Ms. Pratibha Dumane attended the University of Mumbai approved Faculty Orientation Programme for the course ECCDLO8012 "Natural Language Processing" of revised syllabus of B.E. Sem VIII Rev-2019 'C' Scheme on 09 January 2023 jointly hosted by Fr. C. Rodrigues Institute of Technology, Vashi, Finolex Academy of Management & Technology, Ratnagiri, and Xavier Institute of Engineering, Mumbai on behalf of the University of Mumbai.
- Mr. Joshua Michael attended the University of Mumbai approved Faculty Orientation Program for the course ECCDLO8013 "Wireless Networks" of the revised syllabus of B.E. Sem VIII Rev-2019 'C' Scheme on 23 January 2023, organised by Vidyavardhini's College of Engineering and Technology on behalf of the University of Mumbai.
- Ms. Namita Agarwal attended the University of Mumbai approved Faculty Orientation Program for the course ECCDLO8022 "Satellite and Nano Satellite Communication" of the revised syllabus of B.E. Sem VIII Rev 2019 'C' scheme Department of Electronics & Telecommunication Engineering, on 06 February 2023 organised by Vivekanand Education Society's Institute of Technology, Mumbai, on behalf of University of Mumbai.
- Ms. Aparna M. Telgote was a member of the syllabus setting committee for the ECCDLO8013 "Wireless Networks" course of the revised syllabus of B.E. Sem VIII Rev-2019 'C' Scheme.

- Ms. Poonam Chakraborty was a member of the syllabus setting committee for the ECCDLO8023 "Network Management in Telecommunication" course of the revised syllabus of B.E. Sem VIII Rev-2019 'C' Scheme.

CERTIFICATION BY FACULTY MEMBERS

- Dr. Sudhakar Mande successfully completed the NPTEL course on "Introduction To Industry 4.0 and Internet of Things" in December 2022.
- Mr. Joshua Michael successfully completed "The Complete Solar Energy Course - Beginner to Advanced Level" taught by Leandro Caruso on Udemy.
- Ms. Poonam Chakraborty completed the online Innovation Ambassador Foundation and Advanced Level training conducted by MoE's Innovation Cell and AICTE during the IIC calendar year 21-22, certificate issued in October 22.

INVITED TALKS BY FACULTY MEMBERS

- Dr. Ashwini Kotrashetti delivered a talk on "Metastructure Based Antenna Design" at Thakur College of Engineering, Mumbai on 24 March 2022.
- Ms. Gejo George conducted a workshop on "Effective Team-Work" for the students on 14 September 2022.
- Ms. Pratibha Dumane conducted a session on "Email Etiquette" for the non-teaching staff of the EXTC department on 29 September 2022.
- Dr. Mande conducted a session on "What is Final Year Project?" for the students of TE (EXT) on 5 December 2022 at Don Bosco Institute of Technology.
- Dr. Satishkumar Chavan delivered a talk on "Medical Image Analysis using Deep Learning" in the STTP on "Signal Processing using Machine Learning Algorithms" at Ramrao Adik Institute of Technology, D.Y. Patil Deemed to be University, Nerul, Navi Mumbai on 05 January 2023.
- Dr. Satishkumar Chavan delivered a talk on "Image Analysis using Machine Learning for Biomedical Applications" in ISTE approved Faculty Development Programme on "AI Algorithms and Applications in Healthcare" organised by Finolex Academy of Management and Technology, Ratnagiri, Maharashtra on 22 June 2023
- Ms. Pratibha Dumane delivered a talk on "Role of AI in Industrial Automation" in the Directorate of Technical Education sponsored One-Week Faculty Development Programme on "Industrial Automation with PLC and Embedded System" from 6-10 February 2023 organised by Government Polytechnic, Pen, District Raigad.
- Dr. Sudhakar Mande delivered a talk on "VLSI for AI & ML and AI & ML for VLSI" at Jeppiaar Institute of Technology, Chennai on 16 February 2023.

- Ms. Pratibha Dumane delivered a talk on "Email Etiquette" for employees of the Wani Group of Companies on 05 March 2023.
- Dr. Sudhakar Mande delivered a talk on "How to Write Technical Paper" at IETE-ISF Oscillations 2023 hosted by Don Bosco Institute of Technology, Mumbai on 10 April 2023.
- Ms. Freda Carvalho and 32 IEEE DBIT Student volunteers conducted a STEM Education Workshop for 120 students and 7 teachers of schools in Mumbai 'L'ward.

FACULTY AND STAFF AWARDS

- Dr. Sudhakar Mande and co-author Aprajita Bera have received the Best Paper Award for their paper titled "Design and Optimization of Power Distribution (PDN) for Improved Power Integrity (PI) Performance

using Plackett-Burman Design of Experiment (PB-DoE) Methodology" presented in the 8th International Conference on Nanoelectronics, Computational Intelligence & Communication Systems (NCCS-2022) organised by Indian Society for VLSI Education, Ranchi at Advanced Regional Telecom Training Centre, BSNL, Ranchi, Jharkhand, India during 17-18 December 2022.

- Ms. Namita Agarwal secured an Elite + Gold award in the NPTEL - AICTE Online Certification Course / Faculty Development Programme on "Designing Learner - Centric MOOCs". She is a topper amongst 90 candidates certified for this course.
- Ms. Pratibha Dumane secured an Elite award in the 12 week NPTEL-AICTE Online Certification Course/Faculty Development Programme on "United Nations Sustainable Development Goals (UN SDGs)" during January-April 2023.
- Ms. Pratibha Dumane won the 1st prize in the Navratri Garba organised by the DBIT Staff Welfare Committee on 01 October 2022.

STUDENT CO-CURRICULAR AND EXTRA-CURRICULAR ACHIEVEMENTS

- Needhi Kamble (TE) participated in a one day “First Responder Training” conducted by Disaster Management Department of Municipal Corporation of Greater Mumbai organised on 09 April 2022.
- Benish Christo (TE) successfully completed the online course on “Automating Real-World Tasks with Python” authorised by Google and offered through Coursera.
- Shreyas Nanaware (TE) successfully completed the online “Crash Course on Python” authorised by Google and offered through Coursera.
- Benish Christo, Shreyas Nanaware (TE) participated in the Impact Session on “Incubation and Pre-Incubation” and “IPR and Patenting” held on 14 July 2022, organised by the MHRD’s Innovation Cell, AICTE, MOE’s IIC and Don Bosco Institute of Technology IIC, Mumbai.
- Kajal Sathe, Shreya Pimple (TE) participated in the Impact Session on “Women Entrepreneurship” held on 29 July 2022, organised by the MHRD’s Innovation Cell, AICTE, MOE’s IIC and Don Bosco Institute of Technology IIC, Mumbai.
- Umer Rafique Shaikh (TE) represented the institute in the Zonal Basketball Tournament organised by University of Mumbai on 09 October 2022 and Conquer 2023 Basketball Tournament organised by NMIMS on 17-19 March 2023.
- Umer Rafique Shaikh (TE) participated in the conference on Sustainability Inquiry and Investigation of United Nations Sustainable Development Goal 06 from 4-6 January 2023 jointly hosted by Vidyavardhaka College of Engineering, Mysuru and IUCEE Foundation.
- Umer Rafique Shaikh (TE) was selected as a Volunteer for Eu-Reka 22, the flagship event of IEEE Pune Section.

- The team consisting of Mustansir Chittalwala, Shafik Shaikh, Girish Sangare (SE-EXT), Aveesah Siddiqui (SE-Comp) secured the Second Prize in the Competition on "Designing Website for Solo Women Adventure Travel" organised by IEEE DBIT Chapter on 16 March 2023 under Colosseum 2023.
- Winners of HAM Radio Workshop and Fox Hunt conducted by the Dept. of Electronics & Telecommunications Engg. IEEE in collaboration with IETE on 31 March 2023 and 01 April 2023 in DBIT:
 - 1st Rank: Shivam Sharma, Pooja Verma (TE)
 - 2nd Rank: Satyam Shukla, Gouresh Sankhe and Shivraj Shetty (T.E.)
 - 3rd Rank: Nitish Chavan, Jignesh Bhandi, Rakshita Khantwal, Kshtij Bare (TE)
- Participants of 17th Aavishkar Inter-Collegiate Research Convention (Zonal Round) Engineering & Technology Category (UG Level) organised by the University of Mumbai at Shah and Anchor Kutchhi Engineering College, Mumbai on 23 December 2022:
 - Nanaware Shreyas Sanjay, Dmello Russel Joachim, Kumar Sanskar Praful, Sakshi Kaveri (TE) presented a research project titled "Automatic PCB Driller".
 - Waghmare Abhishek Manik, Varshney Lovely, Sharma Divya, Pansare Dhanshree Prakash (TE) presented a research project titled "Score Control Watch".
 - Shaikh Umer Rafique, Khantwal Rakshita Rajeev, Rao Adarsh Jaishankar, Sankhe Gouresh Vikas (TE) presented a research project titled "Bosco Grip Kart".
- Adarsh Rao, Hafizi Mohammed Bazaid, Pooja Verma, Sakshi Kaveri, Sanskar Kumar, Vaishnav Nadar, Zoya Shaikh (TE) completed the 10 hours online Soft Skills Training on Interview Readiness organised by NPTEL from 17-21 January 2023.
- Zoya Shaikh, Kajal Sathe, Shreeya Pimple, Nidhi Kamble (TE), Chaitanya Dhangar (SE) attended the Workshop on "Why Women Deserve Better Designs?" on 16 March 2023 during the DBIT Annual Technical Festival Colosseum 2023.

- Kajal Sathe, Needhi Kamble (TE) received a Volunteer Appreciation Certificate in recognition of her dedicated service in various activities throughout the year 2022-23.
- Shreyas Nanaware (TE) participated in the Robotics Workshop conducted by IETE-DBIT-ISF as part of the DBIT Annual Festival - Colosseum on 13-14 March 2023.
- A total of 68 students participated in the HAM Radio Workshop and Fox Hunt conducted by the Dept. of Electronics & Telecommunications Engg. IEEE in collaboration with IETE on 31 March 2023 and 01 April 2023 in DBIT.
- Kajal Sathe, Shreeya Pimple, Needhi Kamble, Hafizi Mohammed Bazaid (TE) and Chaitanya Dhangar (SE) attended the Workshop on "Career in HVAC Industry" conducted by Daikin Japanese Institute of Manufacturing Excellence on 13 January 2023.
- Yash Garje, Pooja Kadam (SE) were Resource Persons for the "Robo-Wars Workshop" organised on 13-14 March 2023 during Colosseum 2023.
- Chaitanya Dhangar (SE) received a Certificate of achievement for successfully developing and deploying CAN-SAT at the CAN-Satellite Workshop conducted by Black Hole Space Tech at DBIT on 13-14 March 2023.
- Annanya Zadbuke and Khushi Shetty (SE) attended the IEEE Bombay Section's Student, Young Professionals, Women-In-Engineering And Life Member Congress 2023 (IB-SYWLC 2023) during 23 - 25 June 2023.

STUDENTS ACHIEVEMENT DURING HYSTERIA '23 - ANNUAL CULTURAL & SPORTS FESTIVAL AT DON BOSCO COLLEGE, KURLA.

- Anuj Dhumal (TE) secured First Place in the Carrom Singles (Boys) Event and Third Place in Carrom Doubles.
- Umer Shaikh (C), Pratham Amare, Rushikesh Gosavi, Jignesh Bandi, Kshitij Bare (TE), Nikhilash Tuma, Saud Khan, Faiz Chougule, Prathamesh Tadas, Mayur Sonar (SE) secured First Rank in Box Cricket.
- Kajal Sathe (TE) secured Second Rank in Javelin Throw (Girls).
- Gouresh Sankhe (TE) secured Third Rank in Tug of War (Boys).
- Needhi Kamble secured Third Rank in Discus Throw (Girls).
- Disha Maggu, Needhi Kamble, Pranjali Rawal, Kajal Sathe (TE) and Khushi Shetty, Annanya Zadbuke, Suhani Sawant, Palak Tiwari, Mayuri Kadam (SE) secured Third Rank in Throwball.
- Needhi Kamble, Kajal Sathe, Pranjali Raval, Rakshita Khantwal (TE), Suhani Sawant, Ananya Zadbuke, Palak Tiwari, Khushi Shetty (SE) secured Second Rank in Volleyball.

GUEST LECTURES

SR. NO.	TOPIC	RESOURCE PERSON	ORGANISATION	DATE
1	Smart Study and Career	Mr. Sushilkumar Hate	Proprietor, Improval Associates, Mumbai	12-Sep-22
2	Sensors and their Industrial Applications	Mr. Abhay Phansikar	Director, Azilen Technologies	14-Sep-22

MINI PROJECT EXHIBITION

The Department organised an Exhibition of the SE and TE (EXTC) students' projects on 14 November 2022 where the students displayed their projects with great zeal and enthusiasm. The mini-projects exhibition provided an excellent platform for the students to showcase their creative and technical skills, and to exchange knowledge with a diverse audience. The event celebrated innovation, collaboration and the application of theoretical knowledge to practical solutions.

ELECTRONIC CIRCUIT DESIGN CONTEST

Electronic Circuit Design Contest was organised by Dr. Sudhakar Mande for the SE (EXTC) students on 22 September 2022 as a part of activity based learning. The contest provided a platform for participants to showcase their skills, creativity, and technical prowess in designing and implementing innovative electronic circuits. The contest challenged participants to think critically, apply their knowledge of electronics, and overcome practical design and implementation challenges.

The winners of the contest were:

Pooja Kadam, Rohit Mali, Aditya Nurbude, Sumith Kumar, Mrunal Supukar.

INTERNATIONAL YOGA DAY

Ms. Pratibha Dumane conducted a session on Mindfulness and Physical Well-being for the staff and students on 21 June 2023, the International Yoga Day.

The event aimed at promoting the practice of yoga as a means to enhance the mental and physical health among participants. The event featured a combination of breathing exercises and workouts, face yoga and meditation.

INDUCTION PROGRAM OF IEEE DBIT STUDENT BRANCH
CORE TEAM 21-JULY-2022

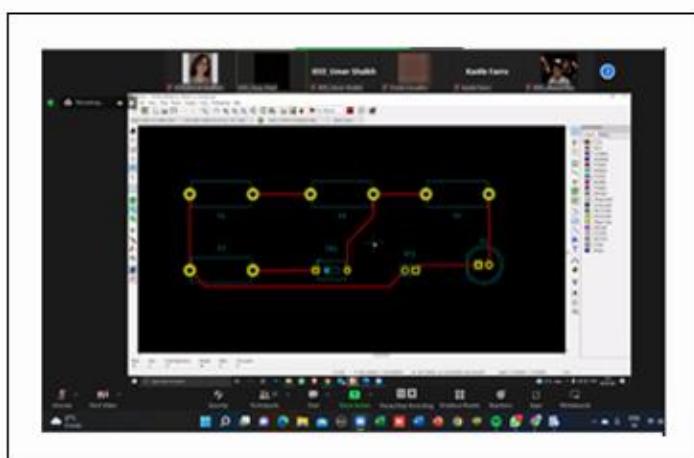

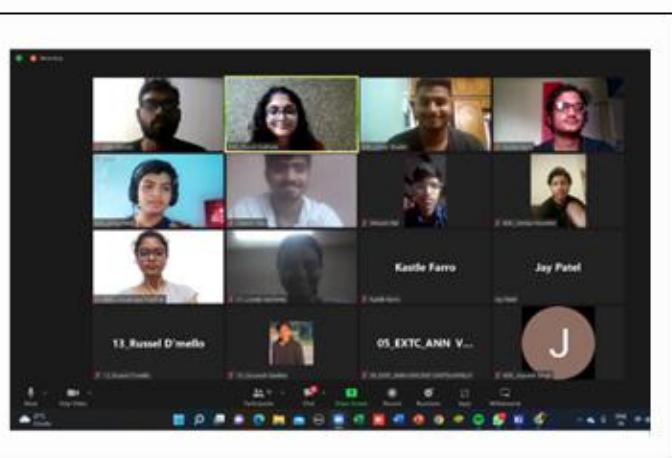

WORKSHOPS

- An online session on “PCB Layout Using KiCad” was conducted on 09 August 2022 by Mr. Deep Patel, IEEE DBIT Web-Graphics Head.
- Trainers from Black Hole Space Tech, Bangalore conducted “CanSat Designing and Launching Workshop” on 13-14 March 2023 by IEEE DBIT MTT-S Student Chapter.

IEEE DBIT-SB and Participants of the workshop with Prof. Elangovan and Trainers of Black Hole Space Tech

Online Workshop on KiCAD

- Workshop on "Why Women Deserve Better Designs?" by Dr. Prasanna Nambiar was organised by IEEE DBIT WiE Student Chapter, on 16 March 2023.

Participants of
"Why Women Deserve Better Designs?" Workshop

HAM Radio Workshop

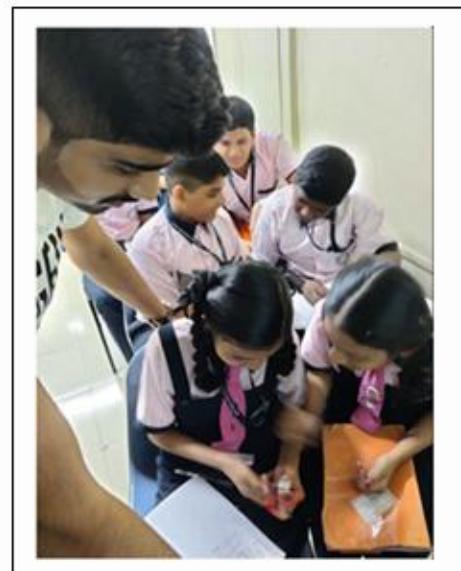

Participants with Team MARI

OUTREACH PROGRAM BY IEEE DBIT STUDENT BRANCH

TechWorld, an IEEE Bombay Section sponsored STEM program was conducted in Karthika High School and Junior College on 09 September 2022 and Holy Cross School, Kurla, Mumbai on 10 September 2022.
